Lesson pricing are based on the duration of the lesson. Payment is due whenever the student shows up for their lesson each week. There is a discounted price available if the student, parent, or legal guardian decides to pay for the month of lessons in advance. The prices are as followed:

Week-to-Week Rate

\$30 for 30 - Minute lessons

\$50 for 60 - Minute lessons

Monthly Rate

\$105 for 30 - Minute lessons

\$170 for 60 - Minute lessons

Cancellations, Tardiness, and Rescheduling Lessons

Cancellation and Rescheduling

If you are looking to cancel your lesson for the week, please reach out to me ASAP. Unless it is an emergency of some kind, I would require an hour's notice of any cancellation or request of rescheduling a lesson. If I am not notified there will be a **Last Minute Cancellation Fee** that equates to 50% of your lesson rate (i.e. \$15 for a 30 - Minute lesson; \$25 for a 60 - Minute lesson).

Note: If you pay a monthly rate, there will not be Last Minute Cancellation Fee.

If I am notified of any cancellation or conflict with the lesson at least an hour before, I will be more than happy to reschedule the lesson depending on both parties' availability at no extra cost. If you choose to not reschedule the lesson, there will be no cancellation fee or extra charge for the cancellation.

Note: If you pay a monthly rate and choose NOT to reschedule the lesson, a credit equating to the cost of the lesson will be applied to the following month's invoice.

Tardiness

Typically, in case of tardiness, lesson rates will not be prorated and the full amount will need to be paid upon arrival. In case of emergency, either the rate for the lesson can be adjusted or the missed time can be made up for in a different lesson.
